

FRV TRAVEL – VILLA MANA

Edition 7.1 June – July 2010

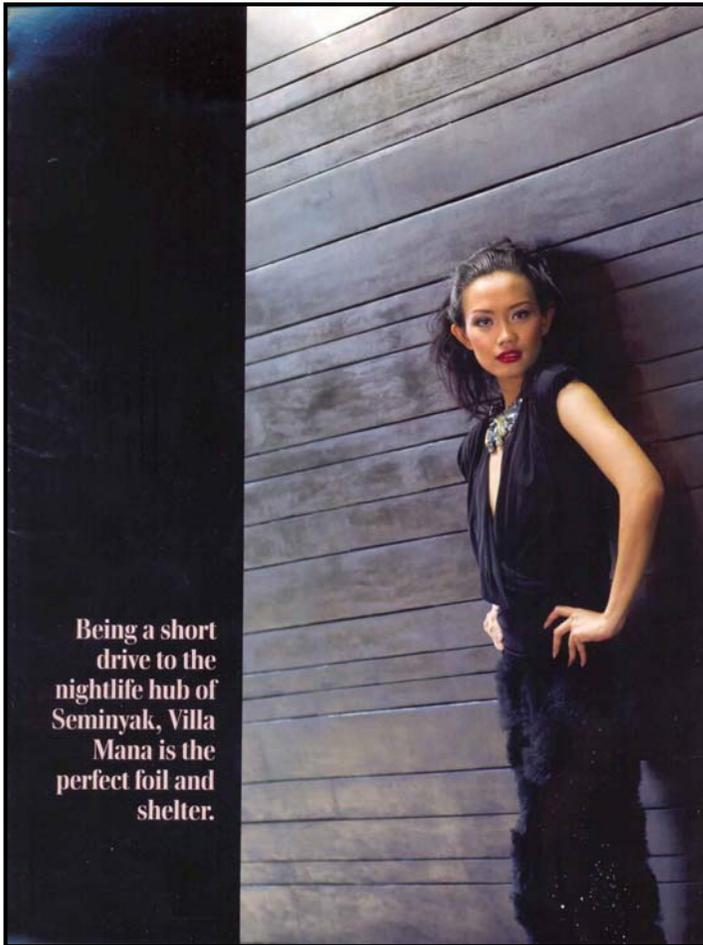

Villa Mana is a luxurious and modern, six-bedroom villa hidden away in the traditional village of Babakan, just ten minutes' drive from the beach at Canggu on Bali's southwest coast. Echo beach, with its beautiful sunsets and casual dining, is nearby and Seminyak is just minutes away from the villa, presenting the famous and exciting Bali nightlife, together with a plethora of trendy boutiques, luxurious spas, and internationally-acclaimed restaurants.

The villa comprises three air-conditioned master bedrooms, two large king-sized bedrooms, both with en-suite bathrooms, and a kids' room that sleeps three. There is also an office with a queen-size bed positioned within a mezzanine level loft, suitable for a nanny or

a child. There is a spacious communal area for living, lounging and dining, an 18 x 6 metre infinity-edge pool, a children's playroom/entertainment room, an upstairs TV room/study, a poolside 'bale' cabana, and a massive open-air rooftop deck.

This impressive property is aimed at discerning guests who appreciate architectural taste, luxurious surroundings and natural beauty. It is ideal for weddings, parties and functions, and presents a team of efficient friendly staff who epitomise the legendary Balinese hospitality with a top level of service. Furthermore, Villa Mana caters to children of all ages. For babies, a sleeping cot is available, as well as two highchairs and pool toys. A WiFi connection to the internet is available on-site.

Guests enter Villa Mana via a small bridge, which leads directly into the reception area, open-air living and dining area and the pool deck. From here, all eyes will be drawn to the highlight of this remarkable property: the amazing view of Bali's famous rice terraces and, in the early evenings, her magical sunsets. This beautiful vista is framed by the architecture of the building and reflected in the swimming pool. There are four bedrooms located on the ground floor, including one of the master bedrooms, with two more master bedrooms positioned on the rooftop level. There is a choice of semi-formal and casual open-air living and dining areas on each level, as well as a ground floor entertainment room and a rooftop TV room / study.
